Chuck,

I heard that the chem II is posted but I haven't checked the posting down stairs, so I don't know what the closing date is. Please make sure Lisa submits a resume ASAP (when she returns) - we are expecting a hiring freeze some time in January so we want to move as quickly as possible. Hopefully, we'll actually be able to get a new person in too before the end of the fiscal year but it's looking doubtful.

Julie
